

APPLICATION FOR AN EINSTEIN INTERNATIONAL POSTDOCTORAL FELLOW FOR JUNIOR RESEARCH GROUPS

Einstein Stiftung Berlin
Einstein Foundation Berlin

Please submit the application in electronic form as a pdf document (max. 5 MB, see point 7 below) and mail a printout of the pdf document for our files.

1. Applicant

Surname, first name		Year of birth	
Academic degree		Gender	<input type="checkbox"/> male
			<input type="checkbox"/> female
Institution	<input type="checkbox"/> Charité	Official position	
	<input type="checkbox"/> FU	Department/Institute	
	<input type="checkbox"/> HU	Phone	
	<input type="checkbox"/> TU	Fax	
	<input type="checkbox"/> UdK	Email	
Department/Faculty			
Address			
Postcode, city			

2. Information on the existing Junior Research Group

Theme/title of the Junior Research Group

Non-technical **summary** of the proposal for the Junior Research Group (max. 1,800 characters, not counting spaces)

Funding organization

Beginning of funding period:

Estimated end of funding:

Duration of funding period: months

Total funds granted:

Number of doctoral students and postdoctoral fellows supported by the grant:

3. Personal data of the proposed Einstein International Postdoctoral Fellow

Surname, first name		Current position	
Current institution		Academic degree	
Address (current inst.)		Telephone/Fax	
Postcode, city		Email	
State (current inst.)		Year of birth	
Nationality		Gender	<input type="checkbox"/> male
			<input type="checkbox"/> female

Please attach a short CV and a list of 10 essential publications of the proposed candidate (**attachment A**).

4.a) Discipline (please use DFG categories ("Fachsystematik"); multiple assignment, if necessary)

- Natural sciences Humanities and cultural studies Social and behavioural sciences
 Life sciences Engineering

4.b) Specific field(s) of research

(e. g. moral philosophy, solid state physics, neuropsychology, automotive engineering, etc.)

5.a) Non-technical summary of the individual research project envisaged for the proposed Einstein International Postdoctoral Fellow (max. 1,800 characters, not counting spaces)

Desired starting date for the Fellow's project:

Desired duration of funding period: months

Funding cannot begin before the decision of the Foundation's Executive Board (dates of board meetings can be found on the Foundation's website) and must commence no later than six months after the date of the Foundation's letter of approval.

5.b) Project description (please add as **attachment B**: max. 8 pages, in Arial 11 font)

Please present the individual research project envisaged for the proposed Einstein International Postdoctoral Fellow, addressing the following items:

1. Research question, aims and relevance

Please state the principal goals of the proposed research, its relevance for science and scholarship and, if applicable, its impact beyond academia.

2. Please describe the position of the proposed Fellow's individual project in the context of the Junior Group's research and the added-value expected for the Junior Group as a whole.

3. Details of ethical aspects (if applicable)

- *Animal experiments*: Please explain in sufficient detail the planned animal experiments (analogous to DFG-projects). The Einstein Foundation assumes that the regulations of the animal protection act will be observed and recommends in case of animal experiments requiring official permit to apply for this simultaneously to the submission of the grant application to the Foundation. Work on the project must not commence before the official permit is given.

- *Experiments involving genetic engineering*: In case of experiments involving genetic engineering the regulations for handling matters of genetic engineering of June 20th 1990 (*Vorschriften zur Regelung von Fragen der Gentechnik*, BGB I. 1990 I, S: 1080) must be observed. The project must commence no sooner than the official permits required by this law and the according decrees have been received by the applicants.

4. Please outline your plans for the (scientific) publication of the project's results.

5. Amount of financial support provided by the applying institution

6. Detailed budget and justification of resources

(please add as **attachment C** and use the form available for download on the Foundation's website)

7. Distribution of requested funding

	20	20	20	20
Staff				
Other directly incurred expenses				
Measures for research training				
Investment				
Total				

Grand total of requested funding:

8. Attachments

Attachment A	See section 3.
Attachment B	See section 5.
Attachment C	See section 6.
Attachment D	See section 9.a

9. Applicant's signed statements and commitments:

a) Funding for this project has already been requested from another source.	<input type="checkbox"/> YES	Please see attachment D for details.
	<input type="checkbox"/> NO	Please see attachment D for an explanation as to why no alternative funding options are available and/or why the Einstein Foundation Berlin is the most appropriate agency.
If I submit such an application to another institution after applying to the Einstein Foundation Berlin, I will notify the Einstein Foundation immediately.		

- b) If my project should be financed or co-financed through third-party funds (e. g. donors), I agree that the Einstein Foundation grants this third party access to the files relating to my project made available to the Einstein Foundation.
- c) The research-related standards of gender equality at my institution will be applied to this project.
- d) I shall adhere to the Rules of Good Scientific Practice (can be found on the English version of the DFG's website).
- e) I agree that information containing details of the project and publicly relevant personal data will be published by the Einstein Foundation Berlin if the Foundation should grant the relevant funding.
- f) Should this application be granted by the Einstein Foundation I undertake to submit an interim report 30 months after the start of funding and a final report after the completion of the research project. I agree to the publication of the final report.

10. Applicant's signature

Place, date	Signature
-------------	-----------

11. Acknowledgement by the University President or the Dean of Charité
